Coast to Coast Data Search The Investigation Experts

Coast to Coast Data Search has been in the investigation business since 1983. We provide professional investigation services to insurance companies, law firms, major corporations, and small businesses in California and across the United States.

We have the experience, training, and “know how” to design and implement specialized services to meet your specific needs.

Follow the Prompt

We invite you to assign your cases online.

Follow the prompt at the left to create a new account or if you are a returning client.. just login.

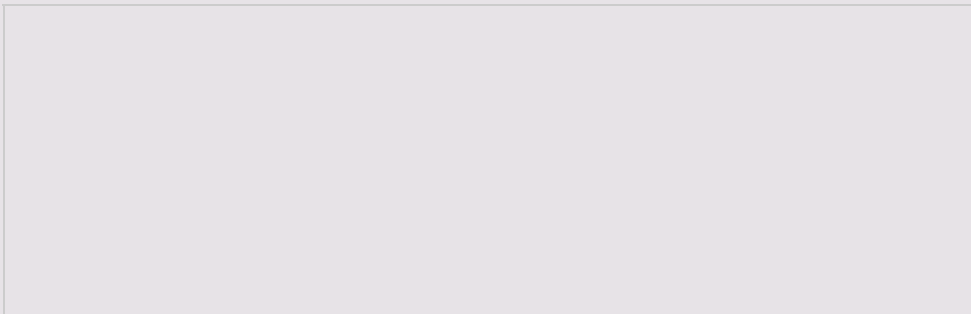

Use Standard Submit to fill out a form and submit by email.
